## Workshop Cum Field Practical on SRI Held

Posted on: 14-May-2010

[Sikkim Express](#)

GANGTOK, May 14: Bringing together different stakeholders, facilitating agencies, practitioners, scientists, farmers and senior government officials on a common platform, the workshop cum field practical on system of rice intensification (SRI) was held today at the Sarasmsa Garden hall. The workshop organized by State Food Security and Agriculture and Horticulture Department (FSAD) was attended by Namcheypong MLA Beg Bahadur Rai in the inaugural session. Discussions were held to evaluate the role and importance of SRI in ensuring food security in rain-fed areas in Sikkim as well as identifying the scope for affirmative action within the prevailing policy framework. The workshop also revealed ...
